## **ANNUAL GENERAL MEETING**

Should you wish to nominate a club member to the Committee, you must fill in the nomination form in the February Newsletter - copy can be found on the club website. The nominated person must be approached and give their acceptance to be nominated.

All financial members of the club are requested to attend this meeting, to hear the financial status of the club and to elect a new Committee to take us through to 2007.

Nomination forms and Proxy notices must be into the Secretary by 7.00 pm Friday 7 April, 2006. No email or fax nominations will be accepted.

## **SMA (ON ROAD) ROUND OF CHALLENGE CUP - 7 May 2006 Jets Sport Club, Holbeach Avenue, Tempe**

It has been suggested that Ryde On Road members attend a club night at SMA prior to the Challenge Cup. They race on every 2<sup>nd</sup> Tuesday and Sunday. With 100% support from the Jets Sports Club, venue has Power, fully enclosed Track area, Bistro, Bar (For Kids over 18yrs), Fox Sport and entertainment for the Mums and Dads.

Walking distance from Wollie Creek Railway Station, just off the Princes Highway, there is plenty of parking; the club is less than two minutes from the M5 Princes Highway exit. *Track opens 6.00pm. Racing starts at 7.30pm*

Their track is smaller, tighter and somewhat different to that of Ryde, so if you are interested, we would like to organise a night that is suitable to everyone and head out for some serious practice.

They race on a Tuesday night - so if you can get out to the track, it would be a worthwhile test of your equipment.

**They will be holding a Practice meet on Saturday, 6 May 2006.**

This is not the actual track for the Challenge; we will have to wait to see what they present drivers.

## **FROM JASON LOWE & GILL (SCOTLAND)**

Hi All,

Spring is in the air! I've just put the garbage out and I can tell you that it's lightly snowing in Aberdeen Scotland and I believe the BBC weather girl who's just told me its -3 degrees just now. Oh well, it is meant to be a blazing 5 degrees tomorrow so that's something to be positive about.... UGGGHH!!! I MISS YOU SYDNEY!!!!!!!!!!

How is everyone? Things are coming along here in Scotland which is just as well seeing as I'll be here for another 5 years! I know I haven't been the best at keeping in touch so for those of you that haven't known I've been working on a 12 month project here (setting up and auditing a new service for kids with DCD) which finished up last week. I'm not going to mention too much about that job other than it's been the toughest 12 months of work that I've ever done and one that I could have walked out of at any given moment!

Anyway, I've just started a new job at the wheelchair seating service here in Aberdeen (North East Scotland) and really think I'll enjoy it which is just as well seeing as they've got me a 5 year work permit! It's the first job that I've done that hasn't been entirely paediatrics but I think they're really keen to utilise my paed's experience and 4/5 days will be working with kids which I'm really keen on. I've only been there for 2 days but Gill says I'm already much happier.

Speaking of Gill, she's well and happy and has a permanent job in outpatients and enjoying things. I got her a mountain bike for her birthday last month but it's been sitting in the garage all cold and lonely as it's been pretty much constant snow, sleet and rain since then! We're both looking forward to the "warmer" months where we can spend some time exploring the great coast walks and forest areas all around us... oh and for the record, the hottest recorded temperature in Aberdeen is 28 degrees!

Anyway, nothing too exciting but I just wanted to get in touch with everyone to say hello and that I hope you're all well. Make sure you get in touch if you have the chance 'cause I'd love to hear from you.

Take care,  
Jason (and Gill)

**RYDE v ILLAWARRA CHALLENGE (ON ROAD) - 22 October 2006 at Illawarra track - (more details later)**

# CASTLE HILL PRO AM - Challenge Cup Round 1 - 26 March 2006

Ryde Off Road drivers excelled themselves at the Castle Hill Pro Am. The track was a challenge but most had been for practice some weeks before and had an idea of what to do.

The Club initially entered 22 starters, on the day 18 fronted up for 12 hours of long hard work, some would say punishment but all in all Ryde did their very best and it has shown by the Club pointscore below the results.

Next event will be St Ives on 18 June followed by Ryde's on 30 July 2006. If you can, try to get to St Ives for some very valuable practice leading up to the 2<sup>nd</sup> round.

**WELL DONE RYDE - YOU HAVE EXCELLED** 👍 😊 ✨ ✨

### FROM THE COMMITTEE MEETING

#### TOILET AREA – Blenheim Park.

We have had a meeting with Council representatives and the outcomes are:

Vacate the Disable toilet area for a short period of time, whilst the Men's toilet room is converted to a Disable toilet, then they will do the Ladies into a Disable toilet and when that is completed, we will be given back the old disable toilet which will be turned into our own Storeroom, it will be reconstructed for us.

#### DRIVERS STAND

Our drivers stand is going to be removed because it does not have disable access and Council consider it to be unsafe. A new stand will be built, hopefully on a cement block and better brick walls, allowing us to have either lapscoreing or storage area underneath. It will be 1-1/2 metres wide, a ramp up the left hand side of stand and hopefully a roof cover. Council is building it for us, so we may have to use our portable stand for a short period of time.

**OFFICIAL WORKING BEE - EASTER SATURDAY/SUNDAY** – Cleaning out of Disable Toilet and urgent repairs to our Club trailers.

We need a few people to help clean out the Disable toilet area in readiness for Council taking it over. If you have nothing to do on SATURDAY AFTERNOON, please come to the track at 2.00 pm.

Then on Easter SUNDAY work on the Club trailers at 107 Quarry Road, Ryde (nearest x street – Woodbine Crescent) and give a hand to do repairs and get trailers ready for painting at about 10.30 am.

The Lapscoreing van needs cleaning, repairs to door area and new neck attached. The Drivers stand van needs rust repairs, cleaning and general repairs.

#### TRACK WORKING BEE

Our track man has been contacted for a working bee in early to mid June for the rebuilding of the jumps and clean up the track area. The actual date will be announced when known and all members are expected to help lend a hand to finish tidying the area. This working bee will be done just prior to the Ryde Challenge round in July.

#### RYDE v ILLAWARRA CHALLENGE (ON ROAD) - 22 October 2006 at Illawarra track

We are now waiting for Illawarra to confirm this date. Lots of practice members, we need to win the Cup back from them.
