Our New Members for 2006

The Committee of the S.R.C.O.R.C.C. welcomes to our club the following new members, we hope you have an enjoyable and productive time racing with us.

ON THE NEWSFRONT:

Department of Sport & Recreation Grant 2006-2007

The Club has prepared the paperwork and for the first time in a long while, we have actually received written Council acclaims that our popularity is astounding and testament to our club enthusiasm.

We have received a number of quotes for the much needed Aluminum fence that hopefully will separate the park users from the our cars (making the P/L insurance safe for a little longer), we have received photos from members to support our claims for fencing, the local business community has jumped on board and given us some much needed dollar support to boost our overall club undertaking.

Now we wait and see if enough work has been done to secure that much needed Grant.

Drivers stand - Ryde Council has completed the drawings of our new drivers stand. They assure me that there is no metal on board – so now we wait to see when work starts on that section.

Working Bee – Off Road

The much needed track working bee has been scheduled for **Saturday 24 June, 2006**. The bobcat has been booked, and we need **everyone there from about 10.00 am** to help tidy up the grounds and do what ever is necessary to have the track ready for our round of the Challenge Cup on 30 July 2006.

From Scotland

Hi Jenny!

Check out www.sdrcc.co.uk for pictures of our upgraded track and you'll also see Jason helping out! (Photo below)

Scottish GP next weekend and we have been very busy preparing for it.

Hi to everyone,

Dan

FROM THE COMMITTEE MEETING

AMB Transponders – we have received the three new units, and thankfully they were under warranty, so no expense to the club. Hopefully these last longer than the last ones.

On Road – Car Bodies – It was mentioned at the AGM that we look at a suggestion of opening body types in club racing at Ryde on Friday Nights. So after much discussion we announce:

19 Turn and Modified – open to any 4 door bodies

V8 540 to stay as is – Commodore or Ford 4 door bodies

540 and Stock – open to any 2 or 4 door body (at club meetings only).

This rule is not open at any sanctioned event where AARCMCC rules apply.

Longer Race Times – There have been a number of enquiries about the Club running longer races. So after more discussion we announce and will be open for a vote for a period of 15 days from the publication of this issue:

As from 1 July 2006 all Club racing at Ryde will be:

2 x 6 minute Qualifiers and 2 x 6 minute Finals **or** 2 x 7 minute Finals.

This rule is not open at any sanctioned event where AARCMCC rules apply.

This rule may be introduced into the On Road Masters and the Sydney Cup provided it receives support from the other members of this sport.

Please detach the voting slip at the end of this issue and indicate your preference. All votes must be lodged by 4 pm, Sunday, 11 June 2006.

Weighing Scales – Unfortunately due to the cost of the scales suggested by one of our members being just a bit too expensive, we have managed to purchase a set of scales that should do the trick, they hold the entire car on the plate and trucks fit also. The weight is visible on two sides and runs on AC power and battery so no mistakes, legs are adjustable also so no problems with level ground. They will be available for use at our June meeting for everyone to try.

CHALLENGE CUP – ROUND 2 – ST. IVES

Here is the list of drivers who have indicated their intentions to compete at the St. Ives round of Challenge Cup. Please advise me if you are unable to attend, as entry forms are now available and I will be arranging our Club team for Sunday 18 June. See Jennie for an entry form on Sunday 28 May, Sunday 11 June or Saturday afternoon 3 June.

VOTING FORM

To be handed in by Sunday 11 June, 2006.

INCREASE OF RACE TIME AT RYDE ONLY RUN EVENTS – on road & off road

I AGREE WITH THE INCREASING OF RACE TIME TO:

6 MINUTES or 7 MINUTES (Please tick on race time only).

I ACCEPT THAT BY INCREASING THE RACE TIME THE NUMBER OF ROUNDS WILL DROP TO FOUR (4) AND NOW BE 2 QUALIFIERS, 2 FINALS.
