ON THE NEWSFRONT:

KRISPY KREME FUNDRAISING

The club is holding a MAJOR fundraising event to help raise the shortfall in Club funds required for the proposed safety fence around the Off Road track at Blenheim Park, North Ryde.

We desperately need the support of all our members to obtain orders and should we be able to sell 100 dozen, the club will make \$500.00 profit towards the fence.

There are 3 selections that people may purchase in this fundraiser but you must collect an order form to find out what they are.

Order forms will be available from the Canteen on Club race days only at the On Road and Off Road events. Orders must be in to Jennie by 15 July with a delivery date of 30 July 2006 at the Challenge Cup, Blenheim Park, Blenheim Road, North Ryde, please make sure you tell your purchasers.

Of course if we get orders for more than 100 dozen we make more profit. Please help support this very important fundraising event, as the fence is a vital safety issue of the park and our radio control safety.

DEPARTMENT OF SPORT & RECREATION GRANT 2006-2007

The Club has prepared the paperwork and submitted. We are now hoping that we are successful. Ryde Council must be thanked for supporting us in this enormous venture. They have recognized the popularity of the sport in Ryde and testament to our clubs enthusiasm. Recently we received notice from Council that they will support us in any short fall we may have in the fence funding.

Hopefully that support will not be required their support, if the Club has successful events in the Sundell Holden Off Road Challenge Cup – Round 3 on Sunday 30 July and the 2006 Sydney Cup later in September and our Krispy Kreme Fundraiser.

WORKING BEE – OFF ROAD

Thank you to those members who turned up and supported the off road working bee. The track looks good at the present, but still is very short of water. We need some support from our members who may be prepared to attend the track on afternoons and water well so we have a good track which will not be a dust bowl. If you can assist, please see Jennie.

SUNDELL HOLDEN OFF ROAD CHALLENGE CUP – ROUND 3

Sunday – 30 July, 2006 - Entry Forms are now available from Jennie or Challenge web site.

Entries anticipated: 112 +

Trophies awarded to 1st, 2nd & 3rd placegetters only in each class.

Memento to every competing driver, thanks to Sundell Holden, Chatswood and Matthew Immer for arranging the sponsorship.

Come on Ryde drivers, we need an excellent field and all members competing for this event. It also is a good opportunity for all our Novice drivers to have a go at a major event which is on home grounds and with all your friends around should you strike troubles.

Please see Jennie for an entry form – **DO NOT SUBMIT ENTRY FORMS TO CASTLE HILL – GIVE IT TO JENNIE** as she submits all entries and fees on the day, organises every Ryde member with a personal transponder and generally looks after you to make you the driver, enjoy a hassle free day.

Event will commence at 8.00 am and conclude at 5.00 pm on a 2 minute turnaround. Be aware if your are not ready, they will not wait for you. If anything like St. Ives there was 15 races, because of the large entry field, drivers were given only 3 qualifying runs and 1 final, it took 2 hours between rounds, and was approx 8 hours racing, so do not expect for things to wait for you if you are not organised.

CHALLENGE CUP – ROUND 2 – ST. IVES

Sunday 18 June, what a early start. Chasing members for entry forms, money, handing out transponders, waiting for members to turn up and panic because racing is starting 30 minutes earlier than anticipated. Everyone but 2 entries turned up in time to make their first heat, most not having time to get any track time, but after seeing our guys in action, maybe that was a good thing.

To St. Ives, well done on your track surface, a remarkable improvement on what has been given to drivers in past years.

To Ryde members, all I can say is Congratulations on an excellent performance by everyone. Ryde had the largest field of entries present, 25 in total, beating Castle Hill and Maitland. But in having such a large field it was extremely difficult to select the people to receive club points. As in the past no one knew who was selected and looking at the results, the right choices were made. Well done to 12 drivers who made the 'A' Finals, that was exceptional, to rest of our club again congratulations on an outstanding effort. We should have some pics up on the web site shortly of our members in action, look out for your cars.
