VALE

BOB BURBAGE

15 February 1951 - 28 July 2008

It is with sadness that we announce the sudden passing of one of Ryde Clubs' favourite members.

Bob suffered a severe heart attack whilst at work on Monday, 28 July 2008.

Bob joined the Ryde club on 19 December 1982 together, and later introduced his children Kris and Yvette into the sport. Bob competed with a Tamiya Frog, RC10, Zerda, Bulldog and finally with an Optima. He competed in both 2wd and 4wd stock.

He competed in many Interclub Shield events, State Titles, Australian Titles, St. Ives and Sydney Cup event and won many events.

Bob left the club in the early 1990's to build up his Blind and Awning business and see his children grow up and it was the invitation to the 2007 Anniversary race meeting that enticed Bob to look at his rc equipment and come back and rejoin the sport that he loved so much.

Too often, Bob would say to me "I should have never left radio control racing, I love doing it so much".

The funeral will be held on Wednesday, 6 August in the North Chapel at Northern Suburbs Crematorium, Delhi Road, Ryde at 11.15am, then afterwards at North Ryde RSL Club, Magdala Road, North Ryde.

**Bob, you will be missed,
Rest in peace of mate.**

UNFORTUNATE NEWS – FOR AUGUST MEETINGS

The unfortunate news for August is that we have been cancelled Friday night On Road racing for the time being, that is, until we start to see an increase in interest in this section of the sport. We are hoping by early September to see some increasing in on road racers. So work on your gear and get it ready for the first meet at **RSC COLA, Forrest Road, Ryde on Friday, 5 September 2008 and don't forget this is the first round of the Ryde vs. Illawarra Challenge.**

Go to club website and then online button, select date and complete details, online closes 12 noon Thursday to allow for canteen shopping.

Saturday Night is also on hold for the time being, due to the carpark and ground hassles that Ryde council has caused us. We won't be able to get parking during the afternoons and cannot drive on the grass because we might damage it, so please be patient and as soon as we can get cars in the grounds we will start up racing.

Sorry for this inconvenience that this may cause some of our visitors and members.

CHALLENGE ROUND – ST IVES – 6 JULY 2008

CONGRATULATIONS RYDE, 11 Club members made it to an 'A' final, this is an increase from the 8 members into an "A" final at Castle Hill round.

2008 ANNIVERSARY VINTAGE RACE MEETING - NOW TO BE HELD ON SUNDAY, 13 JULY 2008

Well after a few weeks delay, we managed to hold our 2008 Anniversary Vintage Charity race meeting. There were a few hurdles we had to get over with Ryde council changing the Management Plan, which now restricts any vehicles into any parks in Ryde community. Thank you to all those competitors who came and it was unfortunate that you had to carry your equipment through the park to abide with the new rulings.

Up to the date I had only received 28 entries online, so was very surprised when registration was called to see so many competitors present, we finished with 10 heats of Vintage and 2 heats of current cars. The vintage classes were spread out a bit, but I was not quite sure how combining some categories would go, so felt it better to leave them as per the entries.

Racing started about 45 minutes later due to the time take to get entries in, but it was just fabulous to see the old cars out on the track and racing as they did back in the 1980's.

Thank you to all our supporters:

RC Car Magazine, Frontline Hobbies - Newcastle, Hunter Holden – Ryde, Berg's Hobbies – Parramatta, RC Hobbies – Petersham, One Stop RC Hobbies – Rydalmere, Just Hair Salon – North Ryde, North Ryde RSL Club – North Ryde, Stylish Scent Florists – North Ryde, Cox's Road Fruit Market – North Ryde, Dawn Trading – Botany.

We had enough prizes to make up 6 raffles, tickets were on sale on the day, and the Major Raffle will be drawn on Sunday, 31 August at the Sydney Cup, this has a Kyosho r/c kit, charger, battery, motor cleaner and various other items.

2 Raffles were drawn – Congratulations to the winners – Raffle 2 was won by Bob Burbage and Raffle 3 was won by Ian Thorn. There will be 4 raffles to be drawn at the Sydney Cu, they are:

Ladies Raffle which includes goods just for that special lady, a Hair appointment, Flowers and Facial items, a R/C Yatch, battery, Tool bag, Modified Motor and other items, and the third has a Carry bag, Modified Motor, comm. Drops and other items.

Get your tickets from the Canteen at the Sunday race meetings, all the money raised from these Raffles together with part of the entry fees is to be donated to Diabetes Australia, NSW Branch. This is in memory of our fellow racer and friend, Leigh Tompkins.

WORKING BEE – 18, 19 & 20 July 2008

Thank you to everyone one who turned up and helped with the new track layout.

Friday say the bobcat in and the grass from the islands were removed and set aside, then the stock pile of dirt was spread around and then the whole area was flattened and the soil mixed.

Saturday we started to draw out the track design then lay the grass down to for the islands and then slowly the track design started to appear, it is something complete different to what Ryde has put down in the past.

Sunday with many hands, more grass was laid, jumps were formed and the surface was packed to give a hard packed surface. The track is not completed just yet, there is still more to be done and it should be a spectacular area by the time our Sydney Cup comes around.

NEW CLUB CLOTHING HAS ARRIVED.

We are please to advise that our stock of new club clothing has arrived. Caps will cost \$10.00 each, Bucket Hats will cost \$10.00 each, Shirts will cost \$28.00 each, and Polar Fleece tops will cost \$32.00 each.

There still are some of the old embroidered Pollar Fleece tops available in adult sizing's, these will also cost \$32.00 each, and will be updated once stock has been depleted.

FUTURE OF ON ROAD RACING AT RYDE

Now, even with the top venue we are still experiencing poor attendances at our on road race meeting, so it has been decided that on road racing will be suspended for the next few months, **but of course, on road entrants can change this if they make the effort to go online and submit their entry before 10.00pm** Wednesdays prior to the meeting dates. If we get 10 or more entries online we will indeed hold the race meeting at Ryde Secondary College's Basketball Court, bottom of Forrest Road, Ryde.

You need to enter your respective class/es with all the required information, then on Thursday evening around 8.00pm check out the Club Forum page, go to Breaking News & Announcements, On Road Racing – Friday Nights and view if racing is on or not. **If we receive 10 or more entries our on road meeting will be conducted.**

We know that the on road interest has dropped with the apparent boom in off road, but for the sake of our club we need to keep the on road section active and help to keep those on road members who joined our club and give them some good racing so they can fulfil their love of the sport, just as the off roaders do and expect.

PROMOTIONAL MEETING – NOVEMBER 2008

PUT THIS ON YOUR CALENDAR PLEASE

On Saturday, 1 November our club has been invited to be part of a promotional event at Sydney International Regatta Centre, Penrith which will coincide with the Solar Boat Challenge and the Hydrogen Car Challenge cars using Solar and Hydrogen for power.

All club members are being given advanced knowledge of this event so that you can put it on your calendar because we have been asked to run a race meeting at Penrith with our off road and on road cars, we will make a circuit with jumps and be able to show off our talents and our equipment.

It would be expected that all our club members be in attendance for this promotional event, at this time I don not have a start time, this will come later in the year.

RYDE'S NEW TRACK DESIGN
