Hard Luck Shield

Presented by Roman de Simone, Committee member 2008

This is explanatory, it will be awarded to a club member who has tried throughout the year or since they joined the club, but have just not been able to get their car and equipment to function the way that it should or during a meeting may have broken the kit quite severely. This is meant to be a fun award, not to show that you had a lousy year of competition.
The trophy will be awarded every 6 months. No replica is awarded on this award.
