

RYDE'S 'YOUNG DRIVER' INCENTIVE PROGRAM

It has been suggested that we take and give more attention to our new young novice drivers entering our sport to help them get a grasp of our racing and start to understand the fundamentals of the sport.

This Pointscore will only be open to young drivers under the age of 15 years, sorry when you turn 15 you are no longer eligible for this award.

Each young driver will be assigned a Buddy (a senior club member) who will assist their young charges in the areas of learning about the car, the car setup, battery preparation, motor selections and gearing and also giving driving advise that will help to improve driving skills so that you are starting to take final wins and see an improvement in your race times and laps.

The 2009 Junior Incentive Program will be conducted on:

Sunday, 1 February, Sunday 15 February, Saturday 21 February, Saturday 14 March, Saturday 28 March, Saturday, 4 April, Saturday 18 April, Saturday 2 May, Saturday 16 May, Saturday, 30 May and Saturday 6 June 2009.

All young drivers registering into our 'Incentive Program' will be expected to attend each of the eleven (11) nominated race meetings.

Of course the more events you attend the better pointscore you will build and of course the senior drivers have their reputation on the line and competing for line honours, they will be giving up their race time to assist you to achieve, learn and win.

You will only receive the points provided you have completed the entire afternoon/evening's event with your buddy assisting you. However if rain occurs, then points will be awarded on the results up to the time the meeting is called off.
