Racing Rules

Results:

An AMB transponder system will be used for Lapcounting. In the event of any missed laps the race director will have the sole right to reinstate any missed laps after an investigation.

Qualifying:

Qualifying will be done via a staggered timed start with an approximate 2 sec gap between competitors.

Grids/Finals:

There will be 3 finals for all A finals, 1 final for B's and C's etc.

Your qualifying position will determine your grid position for all finals. The grid will be marked.

For 'A' finalists Points will be allocated for each final with the best two counting for your final position, in the event of a tie countback will go to the fastest final time.

Marshalling:

You must marshal the race following your race. If you have a back to back race it is your responsibility to ensure a substitute marshal. Failure to do so will forfeit your fastest standing race result.

Scrutineering:

SydneyRC rules will be in place. Please ensure your car/s comply with all aspects of the SydneyRC rules. Cars will be scrutineered randomly during the day.

The club's position is that the onus is on the driver to prove legality in the event of a dispute.

Frequencies:

All competitors should have three legal frequencies unless running 2.4ghz.

If you are not running 2.4Ghz please bring all your spare frequencies. In the case of a frequency clash that is unavoidable, priority will be given to the earlier entry.

Penalties:

There will be a penalty box where a driver must be stationary for the specified time before he can proceed.

Penalties will be applied for

- Deliberate or significant contact that is not redressed* on the track.
- Inappropriate language or behaviour on the drivers stand
- Corner cutting
- Not returning to the track where you left (eg crashing or mechanical)
- Leaving penalty box early

**If a driver comes into contact intentionally or unintentionally with another vehicle causing them to lose control, the driver at fault is expected to pull over and let him be re-passed. If seen to do otherwise penalties will apply.*

In the event of a dispute the Race Directors decision is final.
