

Summary

Points Formulation Ryde Series Points 2011

Ryde series points awarded on final positions of the day to Ryde members.

Points bump up to allocated points based on Ryde members. No bump up for TQ.

Series tie breaks decided by highest result, then 2nd highest and so on until there is a winner.

In order to receive series points there must be at least 3 or the class will have been deemed not to qualify.

A paid entry qualifies for points as long as you attempt to start at least one race.

ie if there are five entries in you're class and you DNF all races you will qualify for 5th points.

Shortened Race Days

If the meet is called early and at least 1 round is run then full points will be allocated based on the races completed.

Dropped rounds within a meeting will only come into play when either qualifying is completed or the finals are completed as set out from the meeting start.

If all 9 rounds qualify you drop 2 rounds.

8 you drop 2

7 or 6 you drop 1

5 or less you do not drop any rounds

Another point of note is that if a class has less than 50% of the total rounds that were raced qualify,

Then there will be no trophies awarded for this class at the end of the series.

So if 6 rounds were raced in the series out of 9 due to 3 rained out days,

then any particular class needs to have at least 3 rounds qualify,

meaning where 3 or more members participated in the event.
